Dear Prospective Advertiser,

Northeast Ohio Dance is a very unique non-profit arts organization. The publication of our program provides businesses and service providers in our area an opportunity to support the Arts, while reaching many patrons with your printed advertisement. Our programs are free to the attendees of our performances.

This will be our 19th Performance season. Each year, Northeast Ohio Dance's Annual Production is performed twice during one weekend to full theater audiences in Wadsworth at O. J. Work Auditorium. The student body and audience members come from Wadsworth, Medina, Seville, Rittman, Orrville, Sharon Center, Westfield Center, Norton, Barberton, Copley, Akron and Doylestown..

We appreciate your support to enable us to continue to bring the education and art of dance to our area communities. We hope we can include your business as one of our sponsors this year.
